

WHY JR. GRANGE CAMP?

There is always something to do at Jr. Grange Camp. The daily program includes wholesome activities, healthy exercise and a fun camping experience. The camper will learn about the grange and make many new friends.

Throughout the day they will be encouraged to become leaders and have fun. It is not necessary for the camper or their parents to be members of the Grange, but if you are not a member we encourage you to talk to one of the camp staff about learning more about this family organization.
